*Design Without Limits*

## Planter Liners

Heavy-duty liners support a wide range of planting styles

Also available by special order:

**Thermoformed Liners** built from high-impact polystyrene in sizes from 24-72" L (every 6") x 9-33" W (every 3") and 8" to 17" D.

**Custom-Welded Liners** built from stress-relieved polypropylene in any dimension.

**Fiberglass Liners** for extra-large-volume planters.
